

SCCS Concert Attire

For Women concert attire is a long black dress hemmed to 4 inches above the floor with black stockings and black dress shoes. All women are required to buy a specific dress at your cost of approximately \$60. Inconspicuous jewelry and hair accessories are the only acceptable additions to the outfit allowed.

For Men concert attire is a black tuxedo with black socks and black dress shoes. If you already have a **black** tuxedo, you may use it. For those who do not, there are several options. A black suit and black bow tie is acceptable. Tuxedos are available to rent or buy from online suppliers such as tuxedowholesalers.com or locally at Jos A. Banks or similar men's clothing stores.

All singers provide their own plain, black, non-glossy rigid music folders which you can obtain from various local music stores or online. Many chorus members use the Choralex™ folders.
